6. AOB	TP: Asked about fundraiser – Steph - and her work load. Mike commented that she is unable to give regular commitment at this time  EH: Pointed out that we need to seek the help of a local lawyer and/or accountant to help with the next stage of the new build project. Mike agreed. Some banks have remit to assist local community groups. Maybe we could find someone that way. Peter suggested we should be bolder and find someone interested in our specific project.  PT: there are still no working power sockets in the large hall cupboard. Cathie to sort it out asap.  VG-B: reminded the meeting that every trustee should have a role within the group and that they then report their progress to the main Trustees meetings when appropriate.
